

DESCRIPTION

Discover this stunning home in the exclusive Marina of Sotogrande, a privileged enclave that combines luxury, comfort, and an unparalleled lifestyle. This elegant apartment features two beautifully designed bedrooms to maximize your comfort. The master suite has its own private bathroom, ensuring privacy and well-being. Additionally, built-in wardrobes provide practical and well-organized storage space.

The heart of the home is its spacious living room, which seamlessly integrates with the dining area and kitchen in an open-concept layout ideal for enjoying unforgettable moments with family and friends.

One of its most outstanding features is the impressive terrace, where you can enjoy breathtaking panoramic views of the Sotogrande harbor. This special corner is perfect for relaxing and watching the sunset while observing the boats come and go. Furthermore, a private staircase provides direct access to the port, allowing you to immerse yourself in its charming maritime atmosphere.
