

MIDDLE FLOOR APARTMENT IN FUENGIROLA

MORE INFO:

Discover a unique 3-bedroom middle floor at the corner of the building, where no one lives above you—offering privacy, light, and a peaceful ambiance rarely matched. The living room flows directly into the main bedroom through a sliding glass wall, allowing you to open up the space fully when you choose or close it for intimacy. With an extended living area that stretches to a side terrace framed in full-height glass, you'll enjoy sweeping Mediterranean views from multiple...
