

DESCRIPTION

An exceptional and unique villa on a very large beachfront plot with private direct access to the beach.

Constructed in one of the best locations in Marbella East close to many golf courses. Several tennis courts and the popular 5 star hotels Los Monteros and Don Carlos. The property enjoys spectacular unobstructed sea views towards Gibraltar in the West, the African Atlas Mountains South and Sierra Nevada in the East. Built and recently refurbished to the highest standards. This villa enjoys Wonderful first quality marble floors, wooden beam ceilings and is fitted with air conditions with hot & cold function, individually controlled in every room.

There are also fireplace, satellite television, alarm system, water well with water deposit, irrigation and illumination (intelligent) system in the garden. The outside area is also finished to the highest standard, constructed with the absolutely best materials and designed with excellent taste. The latest renovations was performed in 2021. The pool & garden area are in fantastic conditions and superbly presented. Furthermore, the garden and outside areas offers a magnificent large (28 meters) heated swimming po...
