

DESCRIPTION

With its spectacular setting, beautiful mature grounds, luxurious villa and of course unique pedigree, this is truly a unique property in Marbella. There are many impressive villas occupying prime frontline beach locations along the Marbella shoreline, but along the sandy beaches of Los Monteros – the finest address on the east side of town – there is a superb property whose beachfront setting and sea views simply will never be equalled. What's more, it's a mansion whose very pedigree is part of the glamorous story of Marbella itself.

The former home of American socialite Aline Griffit and her husband, Luis Figueroa y Pérez de Guzmán el Bueno, Count of Romanones., Villa Annabel was the backdrop to some of Marbella's glitziest parties. She had a circle of high-powered friends that included Jackie Kennedy, Audrey Hepburn and Wallis Simpson, many of whom she hosted at this beach-front house.

Marbella is full of exotic-looking villas, but few boast the glitz, mystery and intrigue are woven into the fabric of Villa Annabel, one of the area's most extraordinary properties...
