

DESCRIPTION

THE UNIQUE PROJECT WITH 3 LUXURY VILLAS WITH PANORAMIC SEA VIEWS IN THE MOST LUXURIOUS AREA OF MARBELLA, NAGUELES / LA CAROLINA

3 villas in Golden Mile are designed with pure lines and harmony, and are characterised by their generous volumes and abundant natural light. The green areas will allow you to enjoy life in the middle of nature, and the open spaces will give you the freedom to move around as you please.

The kitchens are fully equipped, and the high-quality bathrooms will offer you everything you need to relax. It is a boutique development of three luxury villas with 24-hour security and concierge services. Luxury, design, privacy - all in perfect harmony.

Each of the three villas has its own unique layout and personal character but can also be further customized to offer exactly what your want. You can choose from a variety of materials, colours, design elements, adapt the basement layout to have your own movie theatre or private gym.
