

DESCRIPTION

Amazing sea views!

The project has been designed to offer you all the luxury of a resort inside your own home. Both in the common areas and the interior of each of the homes design and comfort go hand-in-hand to create a highly attractive product that cannot be equated with anything else in the area.

Tailor-made homes with spacious, beautifully orientated rooms; large format porcelain floor tiles, wide picture-windows in both bedrooms and lounge which allow natural light to flood in at any time of day and opening onto magnificent terraces where you can enjoy your most relaxing moments.

The kitchen, designed using top brands, has been conceived to be totally open-plan with the main room: quartz counter-tops, built-in appliances, and integrated LED lighting bringing sophistication and warmth. The elegance of large format porcelain tiles has been chosen for the bathrooms, as a reflection and guarantee of good design.
