DESCRIPTION

I WANT YOU TO COMPARE IT...And then tell me you want to see it.You've seen many properties before — but none like this one.Have you ever come across 413 square meters of private terrace, wrapped in sunlight, sea views, and mountain breeze?Picture this: you step outside from any of the rooms —because every single one has access to the terrace— and you're greeted by endless panoramic views. The Mediterranean stretches before you, the mountains rise behind you, and the air feels free, open, alive.From your summer kitchen and bar, you prepare a barbecue while the sound of laughter mixes with the soft music and the scent of the sea. Your private pool glistens under the sun as your family and friends enjoy the day. Even when it rains, the experience is magical — watching the rain fall over the coast from this terrace is hypnotic, a peaceful luxury only a few ever know.The elevator opens directly to your front door, connecting the two levels of the building effortlessly.You'll have four private parking spaces, plenty for you and your guests.And if you love sports, imagine inviting friends for a padel match just steps from your home, then relaxing by the community pool — all within your secure, gated urbanization. Inside, the atmosphere shifts from stunning to sublime.An open-plan kitchen flows seamlessly into the living room — ligh...
