

DESCRIPTION

This is a new landmark building on Estepona: its seafront location offers the privilege of living the sea all year round. Light, design, and space combine in homes where the concept of luxury means so much more than simply the finest quality and superior services.

This building is set to become an icon of contemporary architecture on the Costa del Sol.

Clearly international in inspiration, its innovative design and meticulous attention to detail is clear to see in every corner of the building.

Look no further than its spectacular garden sun terrace with jacuzzi, children's area, gymnasium and infinity swimming pool.
