Apartments & penthouses, located in Mijas Costa at an elevated position providing unparalleled views and direct beach access.

Sea views, direct beach access, iconic architecture and life's amenities on the doorstep. Drive through tropically landscaped gardens that embrace 3 curved buildings of iconic design. A unified design provides spacious communal grounds with uninterrupted lines-of-sight across from the pool to the central "plaza" and through the sprawling gardens. These open areas give the resort a fresh feeling and allows the sunshine to flow throughout.

Once inside the property, you are immediately met with an unbeatable Mediterranean Sea view. The master bedrooms have been intentionally positioned to enjoy the same views as the main living areas, which combine the kitchen, dining and lounge for a maximised sense of space.

Mediterranean Sea views penetrate every area of the resort, whether meandering through the lush gardens, reclining by the pools or residing within one of the 39 south facing apartments or penthouses....
