DESCRIPTION

HOME IS NOT A PLACE, IT'S A FEELING

BRAND NEW CONTEMPORARY SEMI DETACHED VILLA IN SIERRA BLANCA

A contemporary new 4 bedroom semi detached villa, located on a privileged site with spectacular views of the Mediterranean. Just above Marbella's world famous Golden Mile and situated at the foot of the hills that bear its name, Sierra Blanca is one of the most exclusive residential areas of both the Costa del Sol and the whole of Europe.

The purpose behind the design of the living rooms was to make them unique and filled with character. The large glass surface area and the extensive terrace guarantee the entry of sunlight all year round and the open-concept, inter-connecting spaces integrate the garden into the living room itself. In the interior, the meticulous layout focuses on enhancing home life, providing an extensive area for different types of activities. After seeing everything the development has to offer, you won't be able to imagine being anywhere else.
