

TOWNHOUSE IN TOLOX

MORE INFO:

Magestic village house built in 1830, the third oldest house in Tolox and located right in the historic center of the town. The house is spread over three floors, maintaining all the authenticity of its construction. On the ground floor, we enter the house through a spacious entrance hall, where we have two living rooms, a large dining area, and a kitchen. From here we go up to the first floor where we have four double bedrooms, a bathroom, and enough space to build a second...
